Dear National Ocean Service,

This might be one reason there is Red Tides in Florida and Texas and the problem isn't going away but instead is expanding

<http://kathygold.weebly.com/money/the-red-tides-in-florida-and-texas-might-be-caused-by-underground-volcanos>

I would have tweeted this office but my comm, my communication via twitter has been cut due to religious haters who also might be terrorists disguised as Americans committing felonies on the twitter platform.

As I'm in the process of going to Federal Court on other matters, I thought I'd do my due diligence as a concerned american citizen and law abiding taxpayer and send you this email.

Thank You,
Kathy Gold

I got Mr. Justice's aka Eric Holder's computations about Motely Crue and Nikki's other band etc etc. The actors and actresses hide it in movie production budgets, Dennis Quaid laid it all out [foxnews.com/entertainment/...](http://foxnews.com/entertainment/)

Unfortunately, cause of Chrissie Carnell Bixler and her accomplices, this communication won't be received by the Military and Law Enforcement to educate them cause they cut my comm on Twitter when they reported a false abuse report/reports and manipulated algorithms on twitter to cut my comm.

Oh well, these people are responsible and accountable if this problem doesn't get solved.

There is volcanos in the ocean in Texas and Florida where you have the "red tide". Red tide (<https://oceanservice.noaa.gov/facts/redtide.html>) is caused by harmful algal bloom (<https://www.epa.gov/nutrientpollution/harmful-algal-blooms>).

I believe the underground volcanos in the ocean in Texas and Florida that are going off are causing it.

<https://www.volcanoafe.org/lurking-in-the-swamp-the-florida-volcano/>
[\(<https://www.volcanoafe.org/lurking-in-the-swamp-the-florida-volcano/>\)](https://www.volcanoafe.org/lurking-in-the-swamp-the-florida-volcano/)

[\(\[https://en.wikipedia.org/wiki/Pilot_Knob_\\(Austin,_Texas\]\(https://en.wikipedia.org/wiki/Pilot_Knob_\(Austin,_Texas\)\)](https://en.wikipedia.org/wiki/Pilot_Knob_(Austin,_Texas)

My guess is, they are active but nobody knows they're active and the magma which contains the nutrients to create harmful algal bloom is going into the ocean and creating it.

Scientists will have to figure out a way to handle it and restore the ocean.

But since my comm was cut, nobody will receive it so, this problem will get ignored and continue to grow and grow and grow, oh well, I'm not responsible nor accountable, Chrissie Carnell Bixler and her accomplices are.

I might hate the human race cause of all these crimes committed on me by Americans born here but I'm not actively doing anything to harm the human race like Chrissie Carnell Bixler and her accomplices.

This too will go into my Federal Lawsuit against the FBI/DOJ/LAPD, Chrissie Carnell Bixler and her accomplices are now harming the human race by their hate crimes and their hatred of my religion Scientology.

So since Chrissie Carnell Bixler and her accomplices cut my comm, that's actually contributions against the human race, not contributions to help the human race.

I might hate the human race cause of all the crimes committed on me by Americans born here, but I'm still actively contributing to the human race, mankind to help it, to solve these problems. Whereas Chrissie Carnell Bixler and her accomplices are actively harming the human race, mankind by their hate crimes, big difference.

By cutting my comm, they are allowing food shortages to happen in Florida and Texas cause my comm will never make it to people who need to know and they won't have this data to solve the problem, so the problem will continue and more fish will die (which I believe is biblical) and the price of seafood in those areas will go up and it might possibly affect the rest of the USA and the world.

As for Chrissie Carnell Bixler and her accomplices, they assume they have money, it's not a big deal and doesn't affect them.

That thought process, computations etc etc are 1st dynamic self computations and of course self absorbed and self obsessed, it's all them, them and them.

So they'll all be going to hell for harming the human race, mankind by their hate crimes. Sure they'll go to prison but once they die, how ever they die, to hell they go, Universal Justice will be dispensed on these SPs by God. Only SPs go out of their way to harm the human race, mankind.

As for everybody else whose not an SP, go to GreenishSoul.com (<http://www.greenishsoul.com>)and read Survival News to help yourself, your families, your friends etc etc.

As for Chrissie Carnell Bixler and her accomplices, they can go to GreenishSoul.com (<http://www.greenishsoul.com/>) but will never figure it out, too evil LMAO evil is very stupid, look at Hitler LMAO. They'll end up wasting their money and time trying to figure out how to grow their own food and then probably starve LMAO, too funny.

I got Mr. Justice's aka Eric Holder's computations about Motley Crue and Nikki's other band etc etc. The actors and actresses hide it in movie production budgets, Dennis Quaid laid it all out [foxnews.com/entertainment/...](http://foxnews.com/entertainment/)

and if that doesn't pan out, the next will be blackmail of celebrities, again, take advantage of them while they are vulnerable in their homes ie drunk/high/both
